Appn. Filed: 2004 March 22

Applicants: Gonzalo Romero M

Title: Devastating treatment against HIV/AIDS with capsaicin

Examiner/GAU: Susan D Coe /1655

Saint Petersburg, 2006 February 27

Assistant Commissioner for Patents

P.O. Box 1450, Alexandria, VA 22313-1450

Sir:

In response to Notice of Non-compliant Amendment mailed 02/21/2006 of the Office Action mailed 2/13/2006, please note the applicant's election/restriction as it pertains to the present application. The application elects to pursue Group II, Claims 9-11, drawn to a medication composition classified in class 424 subclass 760. As noted in the amended claims below, Claims 1-8 have been withdrawn.
